Hi Spring fans! Welcome to another installment of *This Week in Spring!* As I write this I'm in beautiful Bangalore, India, stuck in a monster of a traffic jam trying to make it to another meeting. I'm so elated to be here to connect with amazing people and organizations. I'm also excited that, this week, I'll be speaking at the Bangalore Java User Group. Please, [come out and say hi!](#)

As usual, we've got a lot to cover so let's get to it!
